Welcome

Firstly we would like to say –

HAPPY NEW YEAR to all our guests both old and new and all the very best for 2020.

Welcome to our winter newsletter. We aim to keep you up-dated on the news around the House and the latest from Dawlish and the surrounding area.

Last year was a successful year for Bridge House with lots of our regular guests returning and many new faces came to stay. We hope that we can continue to increase our guest numbers in 2020 and we strive to improve and keep up our high standards.

So what's new for this year? Well we have continued to update throughout the House, including a full refurbishment of our lift, carpeting to the main lounge and the installation of two new wet rooms on our ground floor. Yes, you could say we have been rather busy during our recent closure period!

We hope you are all keeping safe and warm during these chilly months. Maybe you are ready for a break, maybe you need to beat those 'winter blues'? Why not come to Bridge House for a lovely, relaxing break in warm, inviting surroundings. Unwind in one of our comfortable lounges, take a stroll around our picturesque gardens, book a massage in our private Therapy room. You might prefer to go out and about to explore the beautiful South West. One way to do this is to join our organised day trips, boarding the Bridge House minibus with our very knowledgeable driver.

We have some amazing winter/spring offers on at the moment. You could stay with us in January or February for as little as £270.00pp for one week full board! Other great offers are on in March and April. Check out our website, Facebook page or Twitter page for further information or phone Tracy on our booking line 01626 866850.

For those of you who don't know RCH Bridge House, we are a registered charity offering a peaceful retreat for those in need of recuperation, rest and relaxation. We offer full board stays for one or two weeks. All our 28 en-suite rooms are furnished to a very high standard. Our duty managers are all registered nurses who are available 24/7 for advice, support and reassurance (please note no 'hands on' care is provided).
